QUALITY CONTROL PAINTING

Quality Control Painting, LLC is your team of statewide Arizona professional painters. With more than 20 years of experience in the industry, we are confident that we can provide the level of quality you expect from professionals like us no matter the job. Although we mainly specialize in residential and commercial projects, we offer our painting services for every customer who hires us. In our company, we make it our goal to exceed customer expectations using the best quality products along with our specialized skills. Work with a licensed, bonded, and insured company today and choose us.

QUALITY CONTROL CONSTRUCTION

After 20 years of working in the construction industry, Juan Radilla decided to build his own company and that is how Quality Control Construction, LLC came to be. The core of our company is in our customer service. And that is why we do our utmost to go above and beyond to achieve the results that our clients expect. So if you have a construction project in mind, call us today, and let's get started.

ROOFING

The roof is one of the most important parts of your home. Make sure that it's installed correctly by hiring the right contractors for the job.

Quality Control Construction! Name says it all. Juan and his crew are top notch. Since 2015 they have done several projects for me. Always perfect!!!

Eric Pereon

We've known Juan for a number of years. He and his crew have done construction work at our rentals and personal residence and we're always satisfied with the quality. His prices are fair the work is done on time. We highly recommend him.
